

IFPC Terms and Conditions

Your participation in the Intelligence Fundamentals Professional Certification (IFPC) Program is subject to the following terms.

The IFPC exam (including, without limitation, question, answers, datasets, files, designs, or content in or related to the certification assessment) is the property of the U.S. Department of Defense and access is reserved to authorized users only.

The exam is for internal U.S. Government use only and is not publicly releasable.

By accessing and participating in the IFPC testing, you accept the responsibility to protect the integrity of the IFPC exam by not disclosing, disseminating, copying, publishing, or transmitting any parts of any assessment in any form to any person without the expressed permission of the Intelligence Fundamentals Professional Certification Program Management Office.

Additionally, by participating in the IFPC exam, you acknowledge that you will be advised if you passed or did not pass, but you will not be provided information related to performance on individual test questions. You acknowledge that the IFPC CPMO will maintain a registry of your certification conferral status, and grant permission for the IFPC CPMO to provide your certification status to interested parties, as appropriate and if requested.

You may be subject to disciplinary actions under agency or component standards of conduct, disqualified from participating in the exam of the certification and your certification may be revoked if you:

1. Participate in the assessment under false identity
2. Circumvent or violate the 's procedures or security mechanisms
