

Become a Certified Intelligence Fundamentals Professional!

WHAT IS THE IFPC?

The Intelligence Fundamentals Professional Certification (IFPC) program establishes and tests a common standard of the fundamental knowledge and skills expected of all who serve in the Defense Intelligence Enterprise (DIE). It is part of the Under Secretary of Defense for Intelligence program to professionalize the defense intelligence workforce.

WHO IS THE IFPC FOR?

U.S. citizens in military, civilian, and contractor roles, both analytic and non-analytic, working in or having an interest in working in the DIE.

WHY SHOULD YOU GET THE IFPC?

Achieving the IFPC:

- Verifies your understanding of and ability to apply the facts, concepts, and principles deemed critical to working within the DIE.
- Provides confirmation to all Components that you have met established standards, easing your way into a variety of potential roles.
- Demonstrates your initiative and desire to excel at your chosen career field.
- Differentiates you from your peers.
